

# Long-Term

## Living in Llanelli

---

### **The cost for Phase Two of the Pre-Field Training and Orientation Course:**

£500 excluding living costs (food and all accommodation costs - rent, gas, electricity, council tax, water rates etc.)

### **Approximate living costs in Llanelli (last updated 2016):**

- **For a single person lodging in someone else's home –**  
Rent plus bills (except telephone) – approximately £70-£90 per week.  
Food (cooking separately) – approximately £30 per week.
- **For a family renting a three bedroom house:**  
Rent – approximately £500-£600 per month  
Council tax – approximately £90-£100 per month  
Water rates – approximately £40 per month  
Gas and electricity – approximately £120 per month  
Total – approximately £750 per month (not including food)
- **For a couple –** Costs would be between those of a single person and a family, depending on the type of accommodation preferred (i.e.: renting a room in someone else's home or renting a small house or flat).

Most single people and couples are able to rent a room with one of our World Horizons families, but this may not be possible for families purely due to space restrictions.

Further comparisons can be made by researching with local estate agents, however, we do not advise you to make any definite arrangements until you have started Phase One of the Pre-Field Training and are based in Llanelli.
