

Skill Share

Course Costs

1. Skill Share Training 2017: £900

Included

- All meals, accommodation and transport within training
- Experienced leaders and teachers
- A week of Development Training, including outdoor pursuits
- Course materials
- Administration costs
- Food Hygiene certificate
- DBS (Disclosure & Barring Service) background checks

Not Included

- Travel to and from Llanelli at the start and the end of training
- UK visas, insurance and background checks for overseas participants
- Personal spending money
- Vaccinations, personal first aid kit and medication
- Reading list purchases
- All placement costs (living costs, flights, travel insurance, visa costs, vaccinations etc.)

2. Travel Insurance for Placement:

Europe approx. £145 / Worldwide approx. £265 (Costs for 6 month placement)

You must purchase travel insurance before going on your placement. This insurance needs to be appropriate to cover you for a mission trip and must include full medical cover, repatriation and political unrest cover. We recommend SALT Insurance who specialise in providing cover for short term workers and missionaries working in all parts of the world.

3. Placement:

Approx. £500 per month plus flights & visa

Placement costs vary greatly regarding travel costs, food and accommodation prices.

Please do not send any money for your placement to World Horizons. We advise that you save it in a separate personal account. We will be asking you how much you have saved towards your placement and we will expect you to have the full amount either in your bank or definitely pledged before you leave for your placement.
