

Training

LONG-TERM MISSION

FIVE MONTH TRAINING

10 JULY – 20 December 2025

Engage with Jesus' commission to make disciples of all nations, and learn how to share your faith in diverse contexts.

Built around community life, character development and in-depth teaching, World Horizons long-term training for mission is highly experiential.

JOIN WORLD HORIZONS GLOBAL FAMILY!

MISSION-BASED TRAINING

Rooted in both scripture and real-world international experience, you will receive comprehensive training from knowledgeable mission workers. Topics covered include church planting, spiritual disciplines, applied theology, cultural adaptation, language learning, social justice and world religions.

COMMUNITY-BASED TRAINING

Living communally encourages the development of strong friendships between trainees of many different nationalities, backgrounds and ages. Learning about cross-cultural relationships in such a practical way provides excellent preparation for life as part of a team anywhere in the world.

TRAVELLING TRAINING

Assisting teams across Europe brings hands-on experience and helps trainees to feel part of the World Horizons family.
